

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF U.S. OPERATORS,	)	
INC. FOR A CERTIFICATE TO RESELL	)	CASE NO.
TELECOMMUNICATIONS SERVICE	)	90-012

O R D E R

On January 22, 1990, U.S. Operators, Inc. ("USOI") filed an application for a Certificate of Public Convenience and Necessity to provide intrastate interLATA long-distance and operator-assisted telecommunications services. On April 25, 1990, USOI filed a motion to withdraw its application. In support of its motion, USOI states that it has determined to withdraw its application and that no party will be prejudiced thereby. On June 26, 1990, the Commission held in abeyance USOI's motion to withdraw its application pending its response to a question concerning whether USOI has ever provided and/or collected any money from the public for the provision of intrastate telecommunications services in Kentucky. On July 16, 1990, USOI filed its response affirming that it has not collected revenue from the public for the provision of intrastate telecommunications services in Kentucky and that it does not offer or bill intrastate Kentucky services.

The Commission, having considered the application, the motion to withdraw, and USOI's response to requested information, and

being otherwise sufficiently advised, HEREBY ORDERS that USOI's motion to withdraw its application shall be and it hereby is granted.

Done at Frankfort, Kentucky, this 23rd day of August, 1990.
